FILE HEADING.

Temporary grant of funds to the Chamundeswari Hill Temples at Mysore.

From

The Huzur Secretary to H. H. the Maharaja.

No. 3658 Dated 13.5.24 Received 14.5.24

Diary No. 2196	Enclos 3	Spare Copies	Serial No. /

BRIEF ABSTRACT OF LETTER.

States that the income from the lands granted to the temples ~~being~~ has not reached the maximum limit and is therefore insufficient to meet the establ. charges, and requests therefore that a grant of Rs 2000/- per annum may be sanct. from Govt. for ~~at~~ about 3 yrs, till the lands yield their full income.

NOTES AND ORDERS.

1) The cash income of the temples on the Hill is Rs 11818-4-7. As this was found inadequate for the efficient performance of services in the temples, 100 acres of land, free of cost & free of assessment, under the Krishnarajasagara were granted to the

temples by Govt. in their orders nos. R 11192-7/2 R. 345-19-14 & 26-3-20 and 14090-5/2. R. 345-19-18 & 24-6-20.

2. The Huzur Secretary to H. H. now represents that the yield from the lands has not yet reached the maximum, that the revision of the temples' establishment at an extra cost of Rs 396 in Oct. 1921 has resulted in an extra expenditure of Rs 12,213-8-10 outstanding against these temples & met from Palace funds; that it is no longer possible to advance funds from the Palace, and, therefore, requests Govt. to sanction a sum of Rs 2000/- annually for a period of 3 ~~years~~ years, till the lands yield their full income. Submitted for orders. 3. The additional funds asked for will probably have to come from State funds as there is no head in the Muzrai budget from which it can be given.

THE HUZUR SECRETARY

TO HIS HIGHNESS THE MAHARAJA OF MYSORE.

SECRETARIAT GEN.S 14 MAY 1924 MUZRAI

To

The Secretary to the Government of Mysore,

Revenue Department, Bangalore.

Sir,

I have the honor to state that in connection with the revision of the Tasdik and emoluments of the staff of the Chamundeswari Hill Temples, the late Palace Controller appli for the grant of 100 acres of wet land for supplementing the resources of these institutions. These lands were selected in Yedatore Taluk and transferred to the Palace under Govern ment Order No.14090/ L.R.345-19-18 dated the 24th June 1920. They were dry lands and had to be newly converted into wet. Though on this account they were not expected to yield their full maximum for a number of years, yet in view of the urgen of the matter, the revision of the establishment was taken u and sanctioned in October 1920 involving an extra cost of Rs.3,961/- per annum (Vide statements "A" & "B"). It was als decided that this extra cost should be met out of Palace funds in the first instance and recouped from the produce o the Muzrai lands in question.

This anticipation has not, however, been realised. Statement "C" shows the amount that has been so far advanced by the Palace and the amount that has been recouped to the Palace from the produce of the lands. It will be seen there- from that the outstanding against these temples is approxi- mately Rs.12,213-8-10 against Rs.14,297-7-11 advanced. This means that the Palace is incurring every year a charge of

about Rs.3,000/-on behalf of the Muzrai Institutions.

The lands are still in the preliminary stage of cultivation and in spite of the utmost efforts of the Palace Staff with the co-operation of the District Revenue authorities, it is believed that the lands will not yield more than one thousand rupees in all during the next 3 or 4 years. As the actual extra cost of the revision taking into account savings due to absence of officials etc is roughly Rs.3000/- per annum, a sum of Rs.2,000/- will be required every year to meet the cost. It is not possible for the Palace to continue to advance funds in this manner and I have, therefore, the honor to request you to be so good as to move the Government to be good enough to sanction a sum of Rs.2,000/- a year, temporarily, for a period of three years till the lands yield their full income.

I have the honor to be,

S i r,

Your most obedient servant,

For Huzur Secretary.

Sri Chamundeswari Hill Temples, Mysore.

Sanctions temporarily for a period of three years a sum of Rs. 2,000 per year for meeting the extra expenditure on account of the revision of establishments of the ——.

READ—

The following letter No. 3658, dated the 13th May 1924, from the Huzur Secretary to His Highness the Maharaja, requesting sanction to the grant of a sum of Rs. 2,000 per year, for a period of three years for meeting the extra cost involved on account of the revision of the establishments sanctioned in the Chamundeswari Hill temples at Mysore.

Letter No. 3658, dated the 9—13th May 1924, from the Huzur Secretary to His Highness the Maharaja of Mysore, to the Secretary to Government, Revenue Department.

I have the honor to state that in connection with the revision of the Tasdik and emoluments of the staff of the Chamundeswari Hill Temples, the late Palace Controller applied for the grant of 100 acres of wet land for supplementing the resources of these institutions. These lands were selected in Yedatore Taluk and transferred to the Palace under Government Order No. 14090—L. R. 345-19-18, dated the 24th June 1920. They were dry lands and had to be newly converted into wet. Though on this account they were not expected to yield their full maximum for a number of years, yet in view of the urgency of the matter, the revision of the establishment was taken up and sanctioned in October 1920 involving an extra cost of Rs. 3,961 per annum (*vide* statements "A" and "B"). It was also decided that this extra cost should be met out of Palace funds in the first instance and recouped from the produce of the Muzrai lands in question.

This anticipation has not however, been realised. Statement "C" shows the amount that has been so far advanced by the Palace and the amount that has been recouped to the Palace from the produce of the lands. It will be seen therefrom that the outstanding against these temples is approximately Rs. 12,213-8-10 against Rs. 14-297-7-11 advanced. This means that the Palace is incurring every year a charge of about Rs. 3,000 on behalf of the Muzrai Institutions.

The lands are still in the preliminary stage of cultivation and in spite of the utmost efforts of the Palace Staff with the co-operation of the District Revenue authorities, it is believed that the lands will not yield more than one thousand rupees in all during the next 3 or 4 years. As the actual extra cost of the revision taking into account savings due to absence of officials, etc., is roughly Rs. 3,000 per annum a sum of Rs. 2,000 will be required every year to meet the cost. It is not possible for the Palace to continue to advance funds in this manner and I have, therefore, the honor to request you to be so good as to move the Government to be good enough to sanction a sum of Rs. 2,000 a year, temporarily for a period of three years till the lands yield their full income.
